LET THE YEAR BEGIN WITH BUBBLES AND FRIENDS!

The Citrus Heights Lions have a lot of activities planned for 2010. So roll up your sleeves and let's get to work.

- * The 14th annual Steak & Scampi fundraiser dinner that was postponed from April is being held September 25th with Lions Tony Santos and Linda Paulson as Chairpersons. They need all of our help to accomplish a successful fundraiser. Start collecting door prizes, auction items, and what you can do to help.
- * Also in the planning stages is another Hoedown event, a fundraiser teaming up with San Juan High School, and a pancake breakfast at a local church
- * The Citrus Heights Community Garden is open to volunteers every third Saturday. The club is looking for volunteers to help clean up the gardens.
- * During the year, the meetings will take on a slightly difference appearance. For those at the first meeting of the year on July 7th, you will remember the bubbles that were blown by the members.
- * If you know of anyone interested in joining Lions, please invite them to a meeting or event. New faces are always welcome, without them we will not be able to grow.

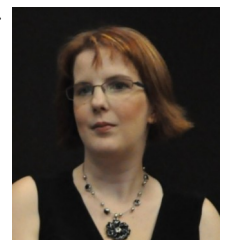

President's Corner:

Hello Everyone! I want to personally welcome everyone to the new fiscal year. I am looking forward to having a fun-filled year. There are a lot of events planned for the coming year, and I am excited to participate in them with you. I have plenty of surprises this year to keep everyone on their toes and wondering what will happen next.

I want to thank everyone who attended the club's installation ceremony on June 26, 2010. You attending the event shows how much you are supporting me and you will never know how much your faith in me means to me.

I know we have had some troubles in the past, every club has them. This year I want us to look to the positive and turn this club into some place fun. Has anyone noticed that Lions International shares the same colors as the NBA Champions, the L.A. Lakers? We are a team, and with everyone working together for one goal of being successful in helping others and having fun, then we too can be National Champions like the L.A. Lakers. If you have any ideas of how we can serve the community while having fun, please contact me any time!

Yours in Lionism,
Lion Rebekkah McCurry, President

SCHOOL SUPPLIES NEEDED

It's that time of year again. Pretty soon, children will be going back to school and many of them will not have the necessary supplies. Please help the club by collecting school supplies and bringing them to the clubhouse or making arrangements with a member to get them to a meeting. Many places such as Walgreens, Wal-Mart, Rite Aid, Kmart, Target, Office Depot and CVS are offering specials such as Buy One, Get One Free or highly discounted prices in anticipation of school starting next month. Anything you can donate would be appreciated, but do not feel like you must buy everything. Thank you in advance for your help.

Here are some of the items that the children need:

Backback	binders
book covers	#2 Pencil
loose leaf paper	scissors
section notebooks	glue & glue sticks
index cards	eraser
Calculator	pencil box
18 month planner	Color pencils & markers
lock for locker	Crayons
Pens	3 ring binders

About Lions:

International :

Lions are groups of service-minded men and women who are interested in improving their communities. To become a Lion is to become an active volunteer, a member of a respected international organization, a leader in your community and a friend to people in need.

There are many reasons to become a member. As a Lion, you'll:

- Help your community and gain valuable skills
- Make an impact on people's lives – locally and internationally
- Learn to be a leader – and lead a respected organization
- Network with business people in your community and around the world
- Energize your life and have fun

You'll grow personally and professionally. And you'll know that what you do is worthwhile and appreciated. Interested in becoming a member? Membership in a Lions club is by invitation from a local club. If you are interested in membership, use the club locator to contact a local Lions club. Tell the local club you are considering membership and want to attend a meeting to learn more. Then, ask a member for a membership application.

Can't find a club near you? Fill out the Prospective Member Form. Lions Clubs International will forward your contact information to a club in your area.

Not sure you fit into a Lions club? Find out more about what Lions do. Read the publications, *I am a Lion* (ME37) and *Lions Make a Difference* (ME40). Are you a college student, a graduating Leo, a family member? Find out how you can serve as a Lion.

For additional questions, e-mail the Membership Operations Department or call 630-571-5466, ext. 340.

District 4C5: Marketing for New Members

1. **Develop a point-of-purchase display.** Ask the owners of local businesses if they will allow your club to place its brochures in a holder near the cash register. Remember: By placing information in a business, your club will then be associated with that business and its customers.
2. **Broadcast on radio.** Invite a local radio station to broadcast from your next special event or request that the station broadcast one of Lions Clubs International's public service announcements (PSAs) available from the Public Relations & Communications Division. Access radio PSAs online by visiting the LCI Web site (www.lionsclubs.org) and typing "Radio PSAs" in the search field.
3. **Write a news release.** Tell your community about upcoming club events, awards and programs. LCI has created several fill-in-the-blank news release templates to get you started. Access news release templates online by visiting the LCI Web site (www.lionsclubs.org) and typing "News Releases" in the search field.
4. **Pitch a story.** Is there a person in your local club with amazing accomplishments as a Lion? Are there a series of Lions projects that are making an extraordinary difference in the community? If so, it's time to pitch your club's feature story idea to your local newspaper reporter or editor.
5. **Run club contests.** Creating a competition out of "Who can invite the most new members?" is often a favorite and successful activity of Lions clubs. Will it work for your club?

RECAP OF THE JUNE 2010 MEETINGS

Wed June 2, 2010

Old Business:

1. Rummage Sale Results - Lion Jessica: \$147.50 was the final amount collected. Not bad for a last minute fundraiser
2. Steak & Scampi - Lion Tony/Linda: We have decided to reschedule the Steak & Scampi. Options were discussed when to have the event. Will look at planning it in Aug or Sept 2010. Maybe the Saturday before the first Cabinet meeting in Aug
3. Reminders - Lion Rebekkah: Reminded incoming board members that the roundtable discussion will be 6/12/10 & the installation is 6/26/10.

New Business:

1. Installation Tickets - Lion Rebekkah: Tickets are available for \$15/person to installation. Space is limited so buy your tickets early. Dinner will be provided by Bravo Pastaria.
2. June Hands On Project?: Do we want to do a June project? Discussion was brought up to have the project be cleaning up the clubhouse and the outside parking area.
3. CHWC Craft Fair: Nov 2010 - Lion Rebekkah: The Citrus Heights Women's Club has invited the club to participate with them in their craft fair in Nov 2010. No date has been established yet. They have put up the costs of the deposit and rental fees. We can sponsor the event together and split the proceeds of the event. We also discussed participating in their craft fair on June 12, 2010. Rebekkah said that since the board members will be meeting that day and it is such short notice, that she doesn't think it will be possible to get enough members to volunteer. We will just work with them in November.

Board Items:

1. Football team: Do we want to give them a donation to help buy equipment & supplies? Jessica noted that the football team came to help Randy install the sewer line. Other members noted that they are required to do community service and that we should not reward them with money. A request to give them money was denied as we determined we did not have the funds available currently. We will relook at this later in the year.

Wed June 9, 2010

Agenda Items:

1. Program Suggestions: Some ideas for programs were suggested. The request was made that no one give a program that is going to try and sell us something.
2. Club House – Review – Future – Suggestions: Carol may have a source for a free toilet and sink for the bathroom.
3. Jessica gave a presentation on the Karachi Pakistan Lions club. Jessica has several outfits that were sent to her from the Karachi Pakistan Lions. She suggested we raffle or have them for an auction. The money could go to the community fund.
4. Club President Jan reminded everyone that the next week was the last regular meeting week of the 2009-2010 fiscal year. She would be giving out awards at the meeting so there would not be business discussed.
5. Sandy Alendal presented the club with a certificate from the Club Scout Troop we sponsor. She expressed how grateful she was that we were able to pay for t-shirts for the boys while they are at camp this summer.

Wed June 16, 2010 Awards Night!

Some of the awards received:

1. Club: 3rd Prize for Scrapbooking Contest at District Convention. Rebekkah McCurry received an award for helping create the scrapbook this year.
2. Lion Jessica received Lion of the Year for all her hard work this year on several projects.
3. Lion Linda received an award for her wonderful decorations and table settings at the 60th anniversary dinner held in September 2009.
4. Jan gave certificates and thank you gifts to Lion Julie's kitchen helpers. They received some wonderful kitchen tools to aid them in their quest to be wonderful chefs.

3. Reminders - Lion Rebekkah: Installation Ceremony is this weekend. PCC Dave Johnson is installing officer.

1. Vote on New Member: Kelly Fredericks has been coming to the meetings, and is a good friend of Jan Windsor. He has offered to help us fix up the bathroom. Kelly was voted in as a member.
2. Clubhouse cleaning: Discussion was brought up that we might want to discontinue the housekeeper that cleans the clubhouse weekly. We will bring this to the club to discuss.
3. Committee Positions: Rebekkah has a sheet with committees that will be needed throughout the next year. Invited all people interested to review the list and sign up for any committee and position desired. She will bring this to the next meetings for the rest of the club to review as well.

It was decided that all members not current on membership dues by June 30, 2010 would be taken off the club roster. Rebekkah will contact the Membership Chairperson to discuss these actions. Any members that become current on dues within 6 months can be added back without any penalty.
